DEPARTMENT OF ATHLETICS
The Ram Good Time Auction has developed into the premier event in support of Colorado State University Athletics.

Through the years, this event has raised well over $4 million to benefit the scholarship fund for our student-athletes. The dedication and generosity of Colorado State alumni and donors, and the Fort Collins community have made this event possible. Without the support and participation of literally thousands of individuals and businesses, this event would not be the continued success that it is. On behalf of the Department of Athletics and the Colorado State University student-athletes, we thank you. We are most appreciative of all you do for our athletics program.

To the auction committee members, who have spent hundreds of volunteer hours in the organization of the Ram Good Time Auction, we extend our gratitude. All of the time and enthusiasm you put into making this event a success is appreciated. Without you, we would not be celebrating 34 years of the Ram Good Time Auction.

We’re looking forward to a great evening celebrating Ram Pride with all of you! Go Rams!
Thank you for joining us for the 34th annual Ram Good Time Auction in celebration of Ram Pride!

All proceeds from the evening benefit CSU student-athletes.

Thanks to Auctions By Cellular, we are going bid-card-free with a modern take on auctions. The auction will be equipped with iPads for your bidding needs and even allow you to bid by cell phone from the convenience of your table. Avoid the crowds and the last-minute push, and boost your chances of landing that top bid on your coveted item.

Not tech savvy? Don’t worry! Additional staff will be available as bidding escorts.

GRAB BAGS BROUGHT TO YOU BY ANB BANK
This longtime auction favorite is still here to razzle and dazzle you! Cost is $25 per grab bag, with a guaranteed value of at least $50. There also will be a limited number of $50 grab bags, with a guaranteed return of at least $100!

BANKIN’ & EGGS (HEADS/TAILS COMPETITION)
Preregister for the Heads/Tails competition at the time of event registration, or bring your crisp $20 bill to the auction!

The drawing will be held following the welcome remarks, making the winner $1,000 richer! The winning auction attendee will receive a check from CSU.
RAM CLUB DRAWING

Back again at the Ram Good Time Auction, we have the Ram Club Drawing! This year’s prize is the ultimate Rocky Mountain Showdown Experience! It includes two club-level seats to the game on Sept. 19, 2015, two pregame sideline passes, dinner for two at Rodizio Grill in Denver, and a single night’s stay at the Marriott City Center! Ram Club members are pre-entered and, if you’re not a member, you can sign up on auction night! Those who increase their membership by $100 will earn an additional chance to win! The drawing will take place during the Live Auction.

SILENT AUCTION

The Silent Auction items will be beautifully displayed in the ballroom of the Embassy Suites. This area will be open from 5-7 p.m.

Here’s how it works: Enter your bid in the appropriate space on your electronic bidding device for the item you desire. Please note the minimum opening bid, and continue to bid in at least $10 increments based on the most recent bid. The person with the highest bid at 7 p.m., when the bids are shut down, will be the successful bidder. Winning bid numbers will be posted at approximately 7:30 p.m.

PREMIUM SILENT AUCTION

A select group of Premium Silent Auction items have been chosen to accompany the Live Auction. Bidding for these items will start at the beginning of the Silent Auction and will conclude at 8:15 p.m.

These items will be prominently displayed inside the main ballroom. Winning bidders will be announced prior to the conclusion of the Live Auction.

LIVE AUCTION

The Live Auction will begin at 8 p.m. Each item will be numbered according to the listing in this catalog and the supplement. Items will most likely be auctioned in the order listed, although the auctioneer reserves the right to make exceptions. Any changes will be announced.

The successful bidder for each item will sign for the item immediately after it is auctioned. The cashier slip will be brought directly to you for your signature. The accounting table will be staffed during the Live Auction, and bidders may pay at any time. If you are planning to bid on several items, you may make a single payment at the end of the evening.
ACCOUNTING PROCEDURES

Payment must be made in full the night of the auction and can be satisfied by cash, personal or business check, Visa, MasterCard, or American Express. Checks should be made payable to the CSU Department of Athletics. To claim your item(s), please present your copy of the receipt to the appropriate auction official. All sales are final. There are no refunds or exchanges, except where specifically stated by the donor. Colorado State University and the Department of Athletics assumes no liability for any of the products, services, or values listed in this catalog. Items listed in the catalog may be subject to change. All additions and/or corrections will be announced or posted the evening of the auction.

Auction items for goods and/or services MUST BE negotiated with the donor for redemption within one month of the auction, unless otherwise specified. If such negotiation for redemption is not made by April 7, 2015, neither the donor, Colorado State University, nor the CSU Department of Athletics will be liable for said goods or services, and no refunds will be possible. You may arrange to pick up the goods and/or use the services after the date of April 7, 2015, but that date must be arranged with the donor prior to the April 7 deadline.

Please note that some auction items will be subject to NCAA age restrictions. Please consult a staff representative if you have questions.

Throughout the catalog you will notice some items marked with a price point of ‘$XXXX’. This means that the value of these items is considered priceless. Purchasers may be eligible for a tax deduction for the amount of purchase over the listed retail value; some items are listed without a retail value (i.e., priceless) and, therefore, bids on such items will not be considered gifts. Please consult with your tax adviser to determine the tax-deductibility of any purchase/gift.

ITEM PICKUP

All items, letters, and certificates must be removed from the ballroom by the end of the auction with the exception of special circumstance items. All auction items, letters, and certificates may be picked up at the entrance to the Silent Auction area. Items that require special arrangements must be picked up Sunday, March 8, from 9-11 a.m., in the Embassy Suites ballroom. This applies ONLY to items that are too large to be removed without additional equipment or assistance. Please make your pickup arrangements with staff at auction checkout before leaving the Ram Good Time Auction.
